

# GEO SCIENTIST

Geoscientist is the official membership magazine of The Geological Society of London. It is the recognised UK professional body for geoscientists, and the oldest geological society in the world. Geoscientist is a quarterly publication circulated to over 10,000 fellows worldwide. Arguably the most sought after geology publication in the world, Geoscientist provides a platform to not only share news and information, but also allow its fellowship to share ideas, thoughts and opinions.

The publication is read and received, amongst others, by geologists, geophysicists, petroleum engineers, and geochemists in the both the academic and professional worlds, and is the only fellowship magazine of its kind, making it the global leader in earth science publishing today.
